Dear Brother Florist ~

Kalamazoo, Michigan,
September, 1941.

It is indeed again a pleasure to mail you this wholesale trade list of the finest bulbs and plants grown by us.

As you already know no bulb imports will be coming through from Europe and also no Lily bulbs from Japan will be imported this season, so prices of course are again advanced. However, we will try to fill all orders if possible but do advise placing orders early so you will not be disappointed.

Our terms are as always Cash or C. O. D. No charge for packing or boxes.

We will try to fill orders as rapidly as possible but on account of labor shortage some orders might take a little longer than usual. Trusting to be favored again with your esteemed orders
yours for better bulbs and plants.

Very truly yours,
MONARCH PLANT FARMS.
